The words of the PROPHETS in the Bible gave God's people a hope that God would send the MESSIAH to save his people and set them free. God had saved them many times in the past. Now, the people were hoping that the Messiah would be a great king, like Israel's famous King David. They expected the Messiah to come from the royal family of King David. "Son of David" became a way of saying, "the Messiah."

BLIND BARTIMAEUS

Mark 10:46-52

JESUS AND HIS DISCIPLES WERE LEAVING JERICHO TO GO TO JERUSALEM. A BIG CROWD WAS GOING WITH THEM!

Jesus told Bartimaeus that his FAITH had healed him. FAITH means believing in something or trusting someone. Bartimaeus believed Jesus was the Messiah. He trusted Jesus to set him free, just as God had done for his people long ago. And now Jesus sets us free, too, if we trust him.
